

# Permaculture Training Workshop

4-Day Design and Hands-On Intensive  
with Guest Speaker Bill Wilson of the Midwest Institute

Thursday March 8th - Sunday March 11th, 2012

This workshop will cover topics in permaculture, including practical design, concerns in food safety, climate change, energy supplies, and meeting the needs of families and neighborhoods. Participation in this training can earn credit toward Permaculture Design Course Certification.

The course is scheduled to be held at the Missouri Botanical Gardens and additional off-site locations, with fees ranging between \$550-595. For more information, contact [kim.petzing@mobot.org](mailto:kim.petzing@mobot.org).

Please register at [www.usgbc-mogateway.org/events](http://www.usgbc-mogateway.org/events) by March 5th.

*Register by February 10th for an early bird special!*

*Bill Wilson*

Guest Instructor  
Co-Founder  
*Midwest Permaculture*

Holder of two Permaculture Design "PDC" Certificates with advanced training in permaculture design, Wilson has taught internationally in over 26 PDC courses, plus shorter-form workshops and intensives. With his wife and permaculture education partner Rebecca, he has created a permaculture oasis surrounding their suburban home, and they continually contribute to their sustainably-oriented community of Stelle, IL.
